## Food Yule Love

## Buffet's

When you think about Buffets do you have images of soggy or stale bread? Well not any longer because were not in the 1980's anymore.

Dont get us wrong, we all love a cheese and pineapple sticks but we love to spice things up.

We have various pre-selected menus but every menu in our brochure is customisable to you are your guests.
As well as your more tradional items, here is a selection of items that you could select on your buffet:
