

Canapes

Price:£30.00

Canapé (definition) noun: A type of hors d'oeuvre, a small, prepared, and often decorative food, consisting of a small piece of bread wrapped or topped with some savoury food, held in the fingers, often eaten in one bite, served with drinks at receptions or formal parties.

Canapes are the perfect way to while away the time whilst your having your wedding photos taken post ceremony, for cocktail parties, or to tantalise your guests as to what's still to follow. These delightful morsels are designed to be one bite wonders.
