Waffle Sticks

Freshly made warm Belgian waffle sticks, baked on site and coated in melted Belgian chocolate, finished with your choice of toppings and sauces. This can be beautifully accompanied by fresh strawberries from our local farm shop, covered in melted Belgian chocolate and topped with your choice of toppings - creating a genuinely interactive dessert experience your guests will be talking about long after the day is over. Alongside this, we offer premium ice cream served in waffle cones or tubs, with a full range of sauces and toppings. Just let us know which option you're interested in (or all three!)

Sauces (in addition to your choice of warm melted belgian white or milk chocolate coating)

White Chocolate, Milk Chocolate, Dark Chocolate, Salted Caramel, Raspberry, Strawberry, Cherry

Toppings

Freeze-Dried Raspberry Pieces, Oreo Crumb, Lotus Biscoff Crumb, Marshmallows, Caramel Fudge Pieces, Smarties, Mini Eggs, Bourbon Biscuit Pieces, White Chocolate Drops, Milk Chocolate Drops, Mint Aero Pieces, Sprinkles - with additional toppings available on request.

We'll help you build a short, smart menu that flows well for your guest numbers and service window, while leaving room for guests to customise to their taste.
