

Grazing pots

Price:£6.00

Indulge your guests with individual grazing pots, a sophisticated blend of cured meats, premium cheeses, seasonal fruits, and marinated olives. Accompanied by toasted crostini and artisan breadsticks, our grazing pots are the perfect way for your guests to nibble and celebrate following the ceremony.

To beautifully complement these savoury delights, we can include the classic Italian sparkling wine, Prosecco, with its crisp, fruity notes of green apple and citrus.
